

Come help with the Easter Egg Hunt!

Saturday, April 20, 9:00-11:00 am
Waldo County YMCA

First Church is partnering with the Waldo County YMCA in an Easter Egg Hunt for area children. The event will be held at the YMCA Gym and is for toddlers through children in the 3rd grade. Cost is \$1 per person at the door, ages 1 and up.

Jan McIntyre from the Y shared this information about the event:

We follow 5210 guidelines for healthy living so no candy will be given out.

We have someone who has come forward to donate, gift items to fill the eggs.

We would certainly consider going to 5th grade with a scavenger hunt, if we get enough support to do so.

We plan to have some games, crafts, face painting, and age appropriate hunts (4 groups, toddler, preschool, K-1 and 2-3).

Volunteer: If you would like to help out with this event, please talk to Pastor Joel or contact Jan McIntyre at the YMCA: jmcintyre@waldocountyymca.org or call 338-4598. Opportunities to help out include:

Before the event (late March and first week of April): Volunteers to cut out eggs and to paint, help to build cardboard Play house and Church, birdhouse towers, boxes, etc.

Saturday, April 20: Volunteers needed to help with children.

Donate: They will also accept donations to pay for decorations, plastic eggs, snacks and other things they have had to purchase for the event. You can make a check out to "**First Church**" and write "**YMCA Easter Egg Hunt**" in the memo line and we will send one check from the church.
