

## *Building the Friendship Walk*

*Join us in the creation of a Friendship Walk at First Church. The Friendship Walk will begin on Church Street and lead to our new Gathering Place at the front doors of the church.*

*You may purchase bricks for the walk in individual names, for a family, or as a memorial to a family member, or friend. Businesses, or organizations are also able to purchase a brick showing their support for the First Church Friendship Walk.*

*Funds raised through the Friendship Walk will help support the Perpetual Maintenance Fund which helps First Church maintain the historical church building and grounds for future generations. First Church is a National Historic Landmark.*

*Click here for more information or to order a personalized Brick for the Friendship Walk.*
