

Earth Day Event

A Walk for Mother Earth is planned from Sears Island to the Belfast Common, on Saturday, April 21.

Participants are welcome to walk, or bicycle for all or part of this ten-mile journey, and planned stops along the route (at 1, 3, and 5 miles) will allow for both shuttling and parking so everyone can participate.

People can walk the final mile by joining us on the east end of the footbridge around 2 pm.

Gather at the causeway leading to Sears Island at 8:00 am for an opening circle that will include acknowledging the ancestral territory of the Wabanaki people and their care taking of this land and waters

The march will make its way to the Belfast footbridge and along the Harbor walk, to the Belfast Common to enjoy the park, the Phineas Parkhurst Quimby Labyrinth, and a community picnic (BYO).

Co-sponsors of this event include the Peace and Justice Group of Waldo County, The First Church in Belfast UCC, The Belfast Bay Watershed Coalition, Friends of Belfast Parks, Maine Chapter Sierra Club, Veterans for Peace Jim Harney Chapter 003 and the Green Sanctuary Committee of the UU Church Belfast.
